BRITISH COUNCIL VISIT TO FRANCE, GERMANY OR SPAIN

Would you like to set up a student exchange visit to a partner school in France, Germany or Spain but don't yet have a partner school?

Give your students a truly intercultural experience by applying for a grant for travel to visit a partner school. The visit can be used to enhance curriculum teaching, improve language learning or help build soft skills.

Grants are aimed at young people from disadvantaged backgrounds. Priority will be given to applications that show the school, or the group of students involved, have significant levels of disadvantage (e.g., Pupil Premium, Opportunity Area, Index of Multiple Deprivation, Additional Needs etc). Visits do not need to include homestay, but connection and shared activities and learning with their peer group is important. More information about how to access up to £11,000 to support your exchange here: <https://www.britishcouncil.org/school-resources/exchanges>
